But now the troubled star herself has released a statement claiming she is getting better by refusing to attend a Halloween party so she can rest and recover. Amy was due to DJ on the plague on both of your homes, but pulled out in an attempt to avoid the temptation to drink and drugs. The star, who is still recovering from a ruptured chest infection, apologised for the lack of a bash but insisted she was trying to regain her health. In a statement, she said: It's coming from behind the grave. I'm getting better, so I'm not undead, but you guys enjoy the afterlife. We're glad to hear that.
